## **Connecticut Delegation Congratulates Johnson**

Washington, D.C. -- The Connecticut Delegation issued the following statement of congratulations for Representative Nancy Johnson, who made history today as Connecticut's longest serving U.S. Representative.

"Our congratulations to Nancy for 22 years of service for the constituents of the Fifth District. Nancy works incredibly hard to master the intricacies of legislation and shape the debate about critical issues facing our state and nation. We tip our hats to her for her dedication, leadership and vision. Connecticut comes first for Nancy and that's something we all agree on."
